

The Center for People of All Races

A voice and a hub for the Latino community
as we advocate on behalf of our people
and work to achieve social justice.

Join Us for *Café con El Centro*: The First Thursday of the Month

El Centro de la Raza is a non-profit located in Beacon Hill that provides services in a culturally competent manner to Latino and other low-income families and individuals of all ages, so that they may develop self sustainability and may more fully participate in society.
